A multi-purpose padlock ideal for cash boxes, tool boxes, storage cabins, light machinery and lockers.

3020 CEN Grade 2

BRASS PADLOCK

3021

This general purpose padlock has a die-cast, compact brass body and is furnished with raised shoulders which provide added strength and shackle clearance. A cost-effective product for securing boats, bicycles, power station switches, tool boxes and storage sheds.

3030

BRASS PADLOCK

This padlock has a die-cast, compact brass body and is non-sparking as it has no steel parts. Furnished with raised shoulders for added strength and shackle clearance, this general purpose padlock is a cost-effective way of securing boats, bicycles, tool boxes, storage sheds, and power station switches. It also provides a secure method of closure in applications where spark-free performance is essential.
