## mystair Air Freshener System

MystAir introduces two variants of air fresheners & odor neutralizers ideal for lobbies, washrooms, offices and other high traffic areas to keep them smelling fresh & pleasant. There are different pleasant fragrances available that will surely match your taste.

The dispensers can also be programmed to spray at regular intervals of 1- 59 minutes, either operate in day or night modes or turn on & off at specifically programmed times so that you don't waste the scent during the non-working hours. The air freshener refills are free from harmful CFCs that can harm your health & the ozone layer.
